

Do you realize how difficult it is to live with Psoriasis?

Nov 21, 2019

Do you realize how difficult it is to live with Psoriasis?

These 10 patients have struggled with this condition for about 237 years altogether. However, there are more Malaysians out there who are suffering in silence.

Sign this petition to show your support to these patients: <http://chnng.it/SXg9MJ9F>
