

Sneak Peek of Novartis Malaysia's New Office

As we transition to the endemic phase of Covid-19, we have taken the lead in re-imagining the future of how we work to do much for our patients and the 32 million Malaysians we serve.

Here's a sneak peek of how we curated an office to lead in the hybrid world of today which places flexibility at its core and unleashes the power of our people to live up to our Inspired, Curious and Unbossed culture.
